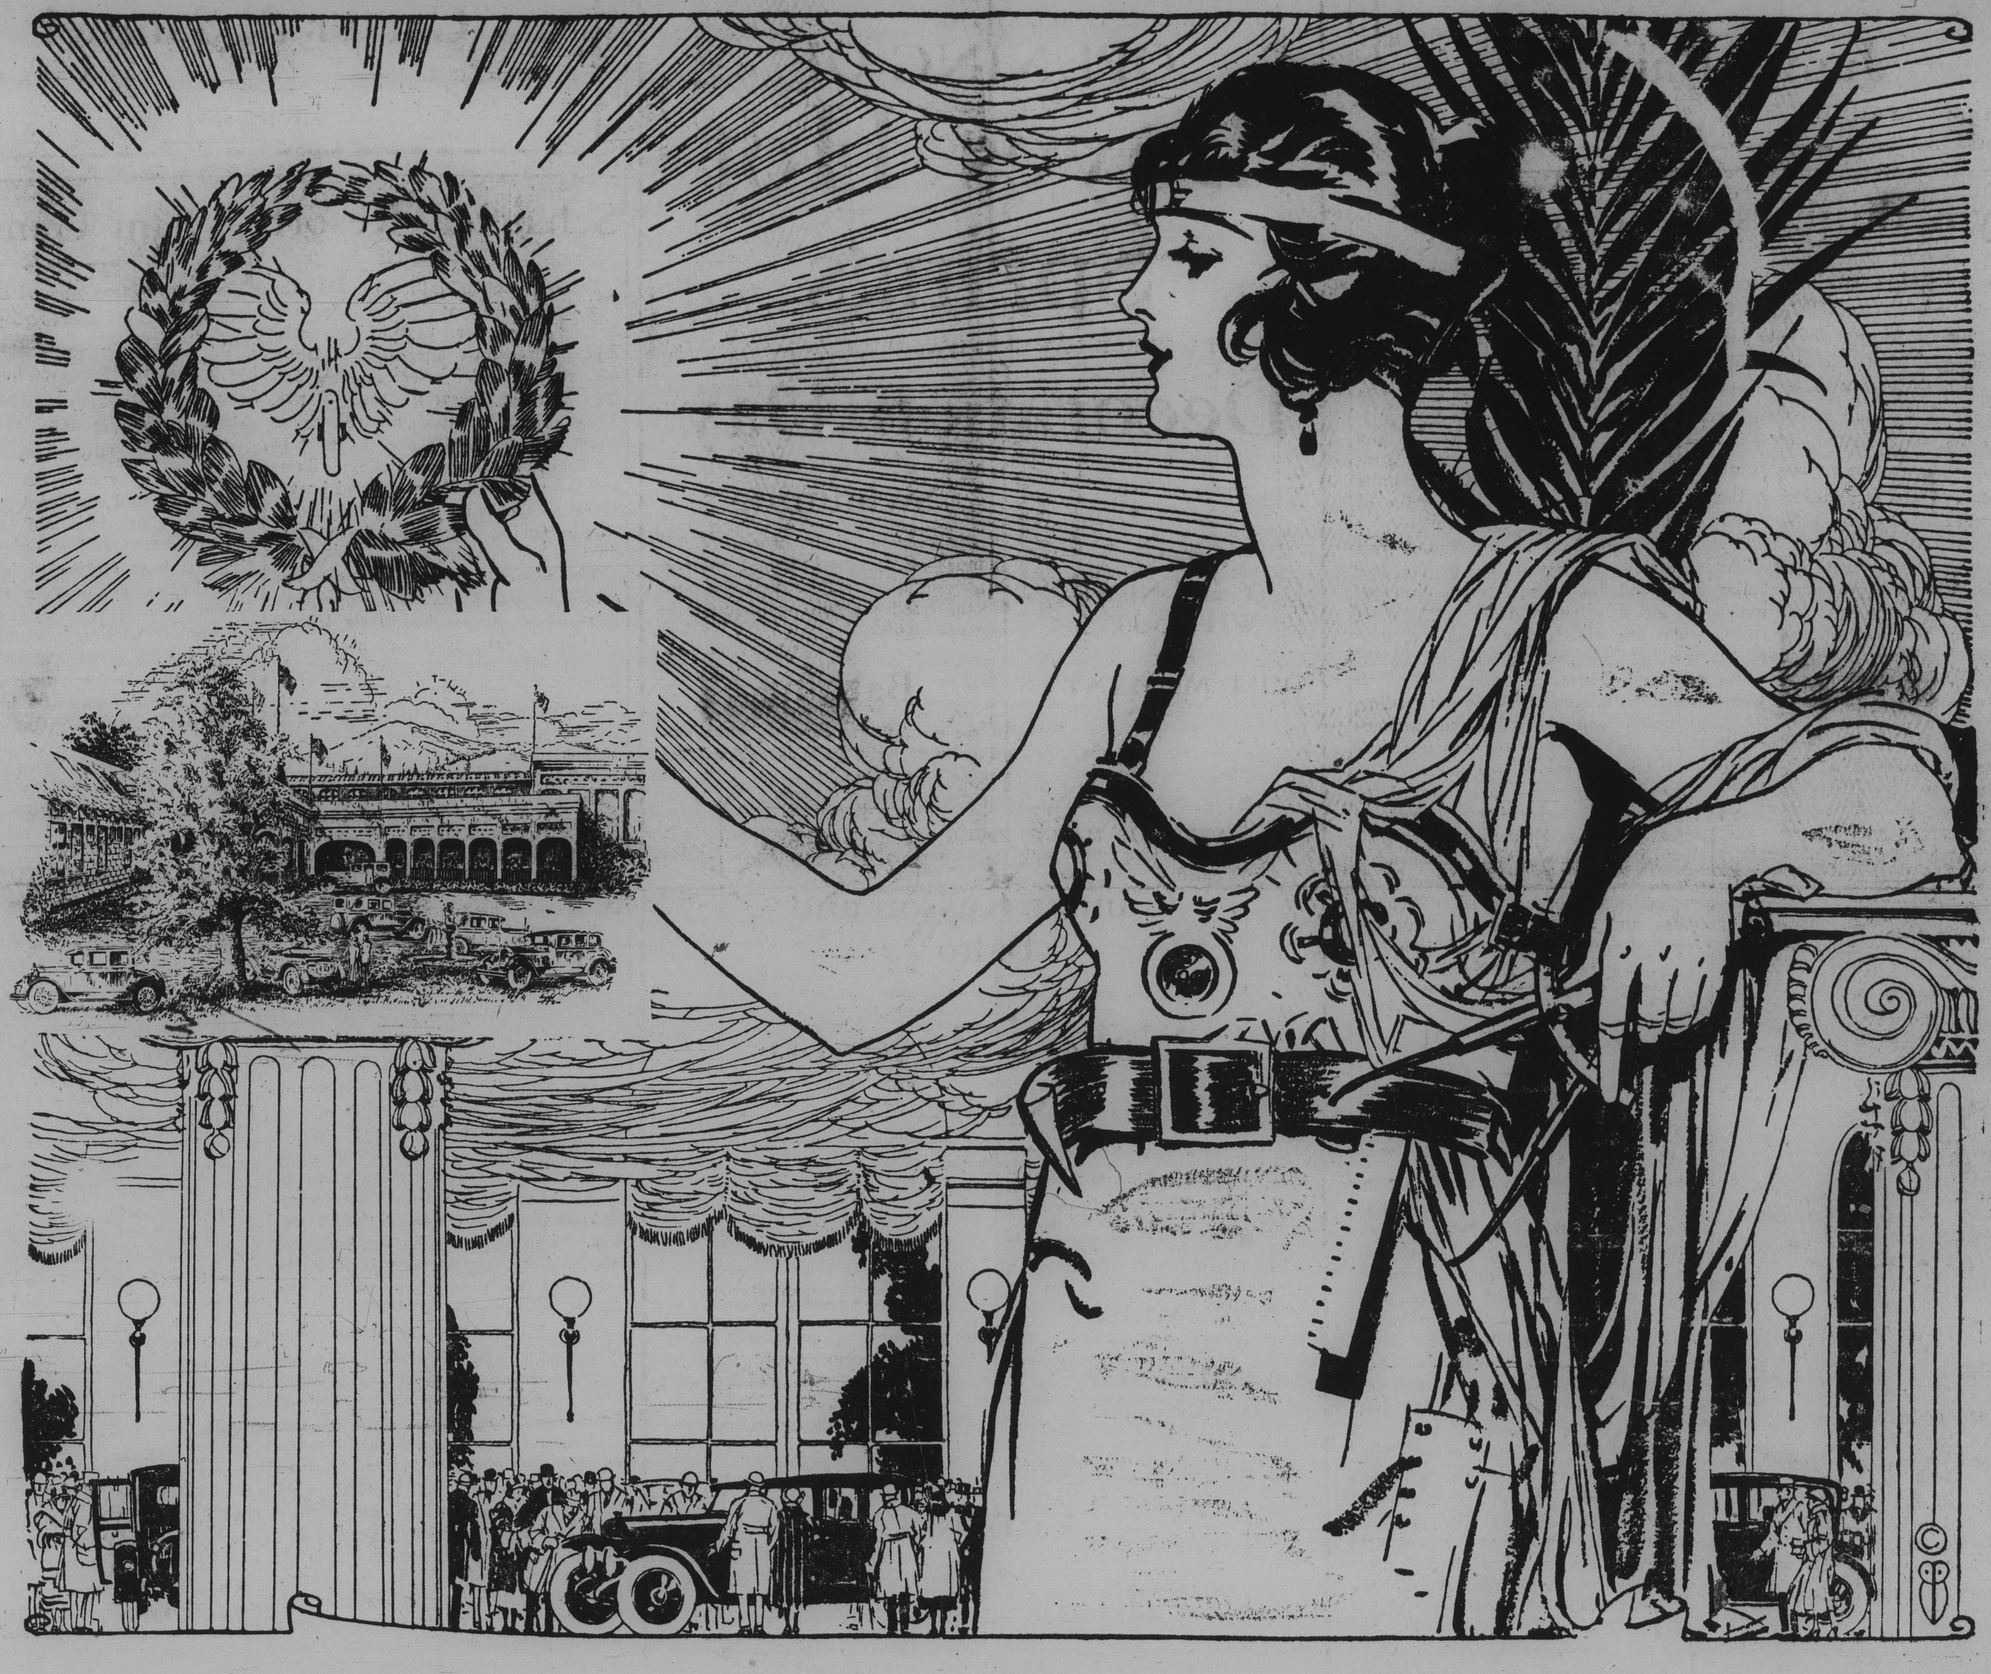
BOYES SPRINGS NUMBER



Development of Mineral Springs Theme For Congratulations

SONOMA VALLEY joins with other communities in California in extending congratulations to Boyes Springs upon the present development of its mineral springs and the construction of the magnificent baths and theatre, which are to be thrown open to the public today. The big building program, of which the present investment is a forerunner, indicates that capital recognizes the value of Sonoma Valley's natural mineral waters and regards the Springs as one of Northern California's greatest assets. For generations the curative properties of these Springs have been recognized. In the past eighteen or twenty years they have attracted great throngs of people who have proclaimed their excellence. Situated as they are in the heart of one of California's fairest and most romantic valleys, with climatic conditions unexcelled, the mineral springs of Sonoma Valley offer health and recreational advantages unequaled in America or Europe. Indeed, the famous Spas of the Old World have few, if any, intrinsic virtues which our Springs do not possess. It is fitting, therefore, that men of keen enterprise and vision, such as Messrs. Partridge and Lichtenberg, should realize the possibilities of Boyes Springs and here invest the lavish sum of money which has made possible the splendid improvement which will blazon the fame of the new Boyes Springs.

The mineral springs are rightfully and logically the nucleus of the entire project. From their crystal and alluring depths will radiate all the later and necessary enterprises such as the contemplated hotel, a hotel of magnificence and every modern comfort, for such a hotel must be built. A palatial hotel, however, is possible in any locality in which capital sees fit to invest, but mineral water such as we have in Sonoma Valley's springs section cannot be duplicated elsewhere. Good health, the greatest blessing of mankind, lies here in the Valley of the Moon. Mother Earth, from her treasure box, has here released these wonderful waters to delight and benefit all

The Sonoma Index-Tribune joins today with everyone in Sonoma Valley in congratulating the Boyes Hot Springs Company on its proud achievement, and hopes that today will usher in an era of far-reaching success and prosperity. A monument to enterprise, to faith and to merit is the new Boyes Springs. Congratulations!

J. Benedetto

John Benedetto is a New Yorker who has settled at Boyes Springs, and declares that it is the coming amusement center of the West. He first followed his trade as a barber at the Springs and was so impressed with the future of Boyes that he purchased a fine location near the bath house and decided to remain with his family, improve his property and become one of the good boosters for this section. He has done so and as a result has continued to prosper and now owns one of the most attractive places at the Springs.

Bob Liaros

Bob Liaros owns one of the finest and most substantial buildings on the highway at Boyes Springs. After the fire, Mr. Liaros took the slogan, "a bigger and better Boyes Springs" at its full value and proceeded to show that he, for one, meant to build bigger and better than before. In place of the frame building and barber shop which was located next to the original post office at Boyes, the enterprising business man let the contract for a handsome hollow tile type building, with concrete floors and fireproof throughout The exterior is most attractive with its tile trim and plate glass front. The building is divided into two stores, in one of which Mr. Liaros has his beautifully appointed barber shop with its mirrors, three chairs and finest plumbing. He does bobbing for the ladies and has a competent assistant barber.

Liaros has leased the store and living rooms in his building for an ice cream parlor and refreshment stand.

Mr. Liaros came to Boyes Springs originally for his health and is one of the best boosters in the locality.

"I congratulate Boyes Springs on their palatial bath house and theatre," said Liaros. "They are a monument to the enterprise of the company."

Mr Benedetto last year completed a beautiful Mission style ice cream parlor and lunch place opposite the bath house which is modernly equipped and is presided over by his wife and daughters.

He continues to conduct his barber shop which is up to date in every particular and is widely patronized by the public.

Mr. Benedetto takes a prominent part in civic affairs and is an officer of the Improvement Club at Boyes Springs. He is a progressive citizen and is proud of the new baths and theatre almost at his doors. "Boyes Springs has arrived," declares Mr. Benedetto.

Payne Brothers

Prominently identified with Boyes Springs and having a decided part in broadcasting the fame of the new improvements are Payne Brothers, sign painters, who have for many weeks been designing, building and painting attractive bill boards and signs for the big resort. The firm is an institution at the Springs, and in addition to the artistic work of sign painting, the brothers have the photograph gallery concession at the new bath house. At the old bath house they had a similar concession and many a vacationist and celebrity has been photographed by Payne Brothers. Their work of developing and printing films for summer folks is too well known for commendation here.

"Success to the new enterprise and its progressive builders," is the Payne compliment to the Partridge-Lichtenberg Company.

Mrs. B. Cabanot on Monday visited her niece who was operated on in San Francisco last week.

Steinkamp's

Steinkamp's Resort, just across the creek from Boyes Springs bath house is one of the leading resorts of the Springs. The modern hotel of 40 rooms was built after the fire at a cost of $27,000. In addition, Mr. Steinkamp developed water on the property for domestic purposes, and fire protection, improved his grounds and generally made his place one of the most attractive in the vicinity.

A commodious dining room with a seating capacity of 250 people, has hardwood floors and is easily converted into a splendid dance hall. Verandas are wide and inviting, and new awnings this season lend an air of summery charm.

Mr. Steinkamp believes in trading at home, and everything in connection with his new resort was purchased from Sonoma Valley firms.

Special attractions are booked at Steinkamp's, beginning tomorrow, when Professor Meinhardt and his 20 piece band comes from San Leandro tor a parade, dance and concert in honor of the opening of the new bath house and theatre. Special illumination and parking accommodations are being arranged by Mr. Steinkamp.

B. Cabanot

B. Cabanot and his good wife are among the largest property owners at Boyes Springs. Coming from San Francisco for his health 11 years ago, Mr. Cabanot discovered the wonderful mineral water and climate which cured him of chronic rheumatism. Casting his fortune with this locality so richly endowed with natural and wonderful advantages he purchased three lots from the late Frank Goad and soon had a few boarders, the nucleus of the later successful and beautiful Cabanot's Resort which Mr. and Mrs. Cabanot conducted up to a few years ago. Through industry and the reputation which their boarding house soon acquired, Mr. and Mrs. Cabanot have prospered at Boyes Springs and bought altogether 13 lots in the heart of the settlement. Their loss in the fire was very heavy and included the Woodleaf business block and several cottages. The ashes were hardly cold however, before a temporary store for the Woodleaf was erected on their property and now a fine stucco business block has risen in its place. The Cabanots also rebuilt their home, a modern bungalow with every conven-

Schaeffer Resort

With its splendid location near the new bath house at Boyes Springs, Schaeffer's Resort expects to enjoy one of its most successful seasons. Mr. and Mrs. Schaeffer cater to families seeking recreation and health. They have a beautiful, modern dining room and the meals are the best to be found in Sonoma Valley. Rates are $17 per week for room and board; three meals being served, the home cooking being exceptional both as to quality and quantity.

The Schaeffer Resort is all new and on the cottage plan. The proprietors, like many others, had their former boarding house destroyed in the big fire of 1923, but promptly rebuilt, R. E. Murphy being the contractor.

Special chicken dinners are served to the general public every Sunday, $1 per plate.

Mr. and Mrs. Schaeffer are delighted at the new improvement at Boyes Springs, the little park which the Boyes Springs Company has laid out opposite their resort, and they wish Messrs. Partridge and Lichtenberg the greatest success.

J. W. Minges

J. W. Minges, "mayor" of Boyes Springs, would no doubt be the mayor if that settlement were already a municipality, for Mr. Minges is one of the first men who invested money at the Springs, and has consistently boosted the Springs section since he first realized its natural attractions and possibilities. He bulid the first cottages near the bath house, improved the business section and is now the owner of the Minges Apartments and several cottages in the vicinity.

Several times fire has swept away Mr. Minges' property at Boyes but undaunted and confident in the future he immediately rebuilt. After the last fire in which he had many houses, including a fine business block destroyed, he soon erected four three-room apartments to solve the housing problem and revive faith in the Springs. Despite his four score years, Mr. Minges is deeply interested in the rebuilding of Boyes. He is offering unimproved property for sale, including lots on the highway, to anyone who will build and improve. "I will not sell them to speculators," declares the Mayor, "but I will sell them on the very best terms to anyone who will build, and at a very low rate of interest. My only ambition at my time of life is to see Boyes Springs

(Continued on Page No. Four)

Sam Ganos

Sam Ganos has one of the leading restaurants and rooming rouses on the highway at Boyes Springs. He has a modern two story building, the lower floor of which is devoted to the grill and banquet hall. His place is patronized liberally every season by people who return because of the good meals and treatment given them.

Sam is a fine chef and caterer, and has competent and sufficient help to give the best service to his customers. Prices, considering the quality of food served, are most reasonable. Automobile parties, banquets and big affairs can be handled at all times.

Mr. Ganos is the owner of the property where he conducts his business and is one of Boyes Springs most progressive men. He extends hearty congratulations to Boyes Hot Springs on the completion in record time of the $50,000 theatre and baths.

BOYES SPRINGS AND VALLEY FIRE DEPT.

The first building to be replaced after the fire was the little fire house, home of the Boyes Springs and Valley Volunteer Fire Department which is the proud possessor of two chemical engines. At the death of Chief W. B. Cause, the department was reorganized and Walter Stuermer elected chief. The officers and directors immediately reduced the debts until now only a little over $400 indebtedness remains, so Treasurer L. P. Kearney reports.

The chemical engines afford splendid protection to Boyes Springs and vicinity and "always ready" is the slogan of Chief Stuermer, although the volunteers agree that a paid man should be kept at the fire house to cope with the menace of fire in the summer season.

The chemical engines have recently been entirely overhauled and put in perfect condition.

CAPT. O'MEARA AND WIFE VISIT HERE

Captain O'Meara, of the Park station, San Francisco, and popular member of the police department of that city, accompanied by his wife, were in Sonoma Valley Sunday, guests of their old friends, Mr. and Mrs. Fred Partridge.

Mrs. O'Meara's folks were among the early patrons of Boyes Springs years ago when they came here to the baths each summer.

Congratulations

Boyes Springs is to be congratulated on its new baths and splendid theatre, a building program which should inspire the entire rebuilding of this famed locality.

Do your building now. We can furnish you with lumber and building material of all kinds. Let us supply the plans for your home or business block.

New Baths and Theatre Opening Today At Boyes Springs

Exhibit Reflects Credit On High School Faculty and Students

THREE DAYS' CARNIVAL TO MARK EVENT

Partridge and Lichtenberg Complete First Unit of Magnificent Improvements at Famous Springs.

Rising from the site of the natural mineral spring, where once one lowly bath tub had a waiting list in the days of the late Captain H. E. Boyes, a magnificent new $50,000 bath house and theatre are opening their doors today at Boyes Springs. The former bath house has all but disappeared only the southwest portion remaining as a convenience to patrons pending further improvements and replacemets this fall.

Like an Arabian Nights tale is the metamorphosis which has taken place at Boyes Springs for in the course of a few weeks Messrs. Partridge and Lichtenberg have developed one of the most luxurious and beautiful amusement centers in the West. The immense concrete swimming tank has been glassed in, a steel frame, semi-glass roof and latest ventilation arrangement making the swimming pool ideal. Broad concrete walks in warm terra cotta tones surround the tank and concrete steps lead to this inviting mineral plunge where over the holidays thousands of recreationists will disport themselves. Six thousand dollars has been expended on the latest filtration plant which assures the cleanliness and clarity of the water in the pool. Three hundred and fifty dressing rooms for men and women have been located on the west side of the bath house and 2000 new bathing suits purchased. A canvas beach situated in a solarium gayly equipped and decorated with colored umbrellas, lounging chairs, mats and benches overlooks the tank on the north side. Here bathers may rest, lounge and display their latest Annette Kellermans between plunges. At night 500 watt lights hung from the dome clear across the tank will make the swimming tank a brilliant sight, for in addition myriads of lights surround the pool and add to th illumination scheme. Dressing rooms, beauty parlors and massage have all been supplied, plumbing and fittings being high class in every particular.

Fred Vedder has been the contractor on the big Boyes Springs job and much credit is due him for his efficient work and rapid construction. Mr. Vedder was one of the builders of the magnificent Matsonia building in San Francisco, the beautiful new P. G. & E. building and the Standard Oil building in that city. Louis J.

BARBER'S PARTNER IN BOOZE GETS 80 DAYS

T. W. Howard, who a few months ago was ordered to leave Sonoma county after being arrested on a liquor manufacture charge, was Wednesday sentenced to 80 days in the county jail in default of $500 fine on a charge of illegal possession of liquor. The case was the result of his second arrest, made recently, when Howard was found guarding a shack in the hills in which liquor was being distilled. He pleaded guilty when he was brought before the justice court in Santa Rosa.

A. Francheski, Sonoma barber and reputed lessee of the shack at which Howard was arrested, pleaded not guilty to a charge of possession and was released on $1000 bail pending his hearing on June 25th.

At the same time that Howard was first arrested, last year, Francheski was also charged with illegal possession and paid a fine in the Santa Rosa justice court.

Garnet Holme Admirers See Mountain Play

Admirers of Garnet Holme, out of doors playwright and author of the Sonoma Mission Play, journeyed to Marin county Sunday where they attended the Mountain Play of Tamalpais, sponsored by the Alpine Club. Mr. Holme there produced his drama of the discovery of San Francisco bay entitled "Drake." The setting, poetical lines, historical allusions and beautiful incidental music made it an outstanding production. Over 2000 people made the pilgrimage to the Mountain Play which is now an institution. Among those who attended from Sonoma Valley and congratulated Mr. Holme and his players on the production were Mr. and Mrs. W. Bundschu, Mr. and Mrs. E. Clements, Mr. and Mrs. R. Hotz and Mr. and Mrs. Will Clewe.

SONOMA CLUB HOSTESS TO COUNTY FEDERATION

Last Wednesday Sonoma received more laurels for her hospitality when the Sonoma Valley Woman's Club was hostess to twenty-two clubs comprising the County Federation of Women's Clubs. The club house was decorated with rare taste, the variety of flowers and greenery being unusually beautiful.

Mrs. Lenore S. Campbell of Healdsburg, newly elected president, made her initial appearance and called the meeting to order at 10 o'clock. In her inaugural talk she pledged herself and her constituents to a continuance of the movement for a children's ward i the county hospital, a movement started by Mrs. T. J. McMannis, past president of the county federation.

A program of exceptional merit continued throughout the day. Mrs. L. V. Emparan, accompanied by Mrs. C. G. Murphy, delighted all by the solos, "Marquita" and "A Perfect Day." Following this the various club presidents or representatives gave reports for their clubs.

At noon a recess was declared and a most bountiful basket luncheon was served by a local committee at tables charmingly decorated with beautiful cosmos. At 1 o'clock the meeting was again called to order and Mrs. Lee Sales of Petaluma, newly elected president of the San Francisco district, spoke briefly, outlining her work for the future. Mrs. Harriett Eddy, state home demonstrator, talked on "Home Demonstration Work."

Mrs. S. S. Ripley, past president of the Contra Costa County Federation gave an interesting account of "America Samoa," and its government conditions. In addition to her address Mrs. Ripley exhibited a fine collection of curios from Samoa. She was accompanied by Mr. Ripley who is a native Samoan.

Mrs. Duncan S. Robinson, second vice president of San Francisco district, and president of Solano County Federation talked on "How Solano County Secured Its Children's Ward at the County Hospital." Many pointers were received from this most interesting talk.

A moment of silence was observed by all the club women when they rose to their feet and stood in memory of Mrs. Harry Weise, past president of the Glen Ellen club, who recently passed into the Great Beyond.

The customary resolutions of appreciation to the speakers and the hostess club were submitted by the resolutions committee. Resolutions were also presented requesting each club to appoint a chairman for the promotion of the children's ward in the county hospital.

N. S. G. W. Grand Officers Will Officiate At Placing Of Markers Here

The grand officers of the Native Sons of the Golden West, together with Santa Rosa and Sonoma Valley Parlors, will gather in Sonoma on Flag Day, June 14th, to place markers on several famous and cherished landmarks. The markers, suitably inscribed, will later be replaced with the handsome bronze tablets which the Native Sons furnish as an enduring monument to historic places in California.

At a meeting of the grand officers in Santa Rosa Sunday after the high school dedicatory ceremonies at which the Native Sons presided, it was agreed that Flag Day, June 14th, the seventy-ninth anniversary of the raising of the Bear Flag, would be the date of an official pilgrimage to historic spots in this locality. A pilgrimage will start at Santa Rosa and wend its way to Chanate Valley, where Cowie and Fowler, pioneers and martyrs, met their death; to Mark West, where a log cabin which sheltered Fremont's soldiers still stands; to "Fighting Joe" Hooker's place near Agua Caliente; to the General Vallejo home in Sonoma; the Plaza, old presidio and barracks of Sonoma where troops were garrisoned in the forties, and to the Mission San Francisco de Solano, of Sonoma. The pilgrimage will culminate at the Bear Flag monument, the handsome tablet already the gift of the Native Sons of California to our historic city. Here Lewis F. Byington, Captain Virgil Butts and other prominent Native Sons will speak.

Captain Butts, county tax collector and well known Santa Rosan, was here Tuesday, accompanied by Senator Slater and Mayor Charles Dunbar in regard to the landmarks occasion. He conferred with President DeMartini of the local Parlor, and on next Tuesday evening will attend a meeting of the Sonoma organization to perfect arrangements for the impressive ceremonies scheduled for Flag Day, June 14th.

The Santa Rosa marking committee has for its members Messrs. Butts, Thomas J. Hutchinson, Frank Berger, Judge Vaughan and F. Luttrell.

It has been suggested that the Plaza markers be placed at the head of Broadway so that all who come into Sonoma over the highway will recognize this historic and interesting old presidio.

N. D. G. W. INITIATE FIVE MORE MEMBERS

Sonoma Parlor, N. D. G. W., initiated five prominent matrons and young ladies of Sonoma Valley into the Order Monday ight. The new members are Mrs. Rena Bulotti, Miss Eileen Cowan, Miss Leola Forni Mrs. Ethel Lourdeaux and Miss Mae Bianchini.

The new members bring the membership roll up to 79. A banquet followed the initiation.

Sonoma Parlor has decided to cooperate with the Native Sons in featuring Sonoma in the parade on September 9th, at San Francisco. The Diamond Jubilee committee is as follows: Dorellis Schmidt, Evelyn Batto, Maud Downey, Albina Bianchini, Helen Anselmi, Edna Helberg, Margaret Cereghino, Sabina Sebastiani

AGAIN LEASE PRESENT POST OFFICE BUILDING

Uncle Sam has taken a new lease for 10 years on the present Sonoma post office building on the east side of the Plaza.

An effort was made by the owner and lessee of the former First National Bank building on the west side of the Plaza to have the location changed, the bank building being offered the government. A post office inspector, however, came to Sonoma and after looking over the situation decided that the Poppe building was entirely adequate to the needs of the local post office and as it had been specially constructed to house the office, that the lease should be renewed. The building is owned by the pioneer property owner, Mrs. Catherine Poppe.

Programs At Resorts For Holiday Crowds

In addition to the usual pilgrimage to Sonoma Valley on Decoration Day when many former residents return to do homage to those gone before, a big crowd is expected to participate in the holiday festivities at the various resorts and Springs of the Valley of the Moon

At Parente's Coney Island tonight and over the week end a particularly fine program has been arranged for the entertainment and pleasure of patrons. Starting last night, Polly Watson's orchestra, formerly of the Winter Garden, New York, has been the feature. Eleven musicians comprise this clever aggregation of jazz artists. On Sunday the Musical Hill's orchestra, of Los Angeles, formerly of the Orpheum Circuit, will entertain afternoon and evening at the big pavilion. Manager H. Fine is preparing for big crowds.

Steinkamp's Resort will celebrate the opening of the Boyes baths by having Professor Meinhardt, fromer popular Sonoma Valley resident, and 20 musicians here for the big event. There will be concerts, dancing and general festivities at Steinkamp's over the week end. The Bear Bowling Club comes to Steinkamp's June 21st.

Agua Caliente Springs is preparing to handle a record crowd. A big program of athletic events will center around this popular resort. The big swimming tank, tub baths and the Poppy Bowl will be attractions. A barnyard golf tournament will be inaugurated tomorrow.

At Fetters theatre and ball room there will be pictures and dancing, while the mineral water plunge and tub baths will no doubt be patronized by many regular guests and recreationists. George Fetters and his assistant manager, Jack Greene, have booked many guests over the week end.

El Verano Villa had its opening last night and many people thronged the pavilion as complimetary guests of the management. Tonight Captain Tullett inaugurates the regular summer dances, with an orchestra formerly of the Press Club, San Francisco, which has been engaged for the summer season.

Rosenthal's Resort, on the highway exects to entertain a large number of guests, as will Paul's, Verdier's, and other popular places. Sonoma hotels are preparing for many guests.

Mr. and Mrs. M. Renslinger have been called to Coalinga to look after oil property they own there.

Another Of Sonoma's Last Chinamen Dies

Loo On, who resided on the Revie ranch in the foothills, and who was one of the last Chinamen remaining in Sonoma Valley, died suddenly Monday. Loo On was a pioneer of this locality where once Chinese were numerous in the days of big vineyard harvests and before agitation against Chinese labor in California started. As a young man deceased was a Chinese cook, employee of the late Mrs. A. B. Lubeck of Locust Grove. In late years he was in the fruit business and for several years operated the apple drier on the Cutter ranch. Loo On was a Manchurian by birth. He was buried in Valley cemetery Wednesday beside friends and former employees who preceded him on the long journey.

VISITING SCIOTS ENJOYED BIG NIGHT

Over 500 Sciots, their ladies and members of the Masonic fraternity gathered together last Saturday night for one of the most successful ceremonials and social evenings in the history of the Santa Rosa, Vallejo and San Rafael Pyramids. Their entertainment, as arranged by local committeemen, came in for much praise.

The parade through the well lighted business district was replete with splendid features and was led by Grand Marshal Henry F. Bates on a black charger. The Sciots gathered at the high school auditorium at the conclusion of the parade and there put on the initiation work, over 30 new members affiliating.

Union Hall, which was crowded to capacity by the ladies and visiting Masons, had been nicely decorated for the occasion and there a clever minstrel show was staged by Vallejo ladies and little folks. There was also a sleight of hand exhibition by Bob Madison, accordion solos, monologues, etc. The Sciots came later to complete the social festivities and round out the evening with dancing.

Refreshments were served buffet style in the dining room of the Union where delicious sandwiches, coffee and brick ice cream was served during the evening.

Local service stations report the Saturday night Sciot gathering as one of the bigest nights of the present year, more cars coming into the valley than on any previous occasion for some time.

WEDDING BELLS RING OUT TODAY

Wedding bells will ring out today for Miss Gladys Millard, sister of Mrs. Arthur Coops, and Louis Frederickson, popular young people of Napa. The ceremony will take place at the attractive home of the A. A. Coops on the Napa road, and Rev. Isaac Cookman will officiate. Mrs. Coops will be matron of honor.

Following the ceremony an elaborate dinner will be served at the Union Hotel here in Sonoma.

ST. FRANCIS HALL NEARS COMPLETION

St Francis Hall, which is to be the new home of the Young Men's Institute and Young Ladies' Institute of Sonoma is nearing completion. The building is the former Presentation Convent, which has been remodeled and is now in the hands of Muller & Downey, who are painting and redecorating the attractive interior.

O. Schuhmann of Buena vista was a visitor in San Francisco Monday.

BANK EMPLOYEES HAD FINE OUTING

The employees and officials of the Central Commercial and Savings Bank of Vallejo and its branches enjoyed a delightful outing at Agua Caliente Springs last Sunday. Swimming contests, games and various stunts were features of the frolic. A banquet was also enjoyed and was a credit to Tom Corcoran's cuisine.

Among those who atended were Mr. and Mrs. Fred Dickey of Penngrove; Mr. and Mrs. George Cadan, Santa Rosa; Mr. and Mrs. Luchsinger, Messrs and Mesdames McKnight, Coleman, McInnis and M. Rhodes; Misses McKnight, Corcoran, Gordan Adamson, Aden and Boque; Messrs. Tormey, Doyen, Dennison, Browlie, McKnight and Kane.

The Vallejo papers gave the Sonoma county outing a great send-off.

Harry Hill came up from San Francisco Monday evening to visit Mr. and Mrs. R. P. Hill, of Eldridge.

EL VERANO NEWS

By ARCHIBALD McKIVER

Pete Andrews, former turfman and now resting on his laurels at Boyes Springs, received the surprise of his life last week at El Verano. Pete, who had come over to the old town on horseback, stopped to do some horse trading with an El Veranoite. Alighting from his steed, buyer and trader became interested in the deal when suddenly Pete looked around to see his mare making tracks across the railroad. He set out after the fleeing steed, which made its getaway up the S. P. right of way and was soon lost to sight. Andrews, after scratching his head and thinking a bit, broke the news to Archie McKiver. After searching for and tracking the lost steed through our village, Pete summoned an auto and started along the county road toward the Spreckels ranch. In the meantime a visitor from San Francisco who had seen the saddled horse a mile up the S. P. tracks, rushed into El Verano and informed the writer that he believed the famous jail breaker, Tanko, had hit the valley and sidetracked his horse and outfit. Andrews was notified that the lost animal had outmatched him, and now admits that it was a horse on him.

Dal Emparan of Sonoma, deputy assessor, was transacting business in El Verano Tuesday.

Miss Dora Nonella of San Francisco is visiting her parents here.

SUMMER CROP OF SPEEDERS

State traffic officers in the vicinity of Sonoma nabbed several speeders and auto law violators over the last week end. A fair lady motorist, Mrs. Stutz of San Anselmo, cut in on a traffic cop and deputy sheriff. For selecting these dignitaries as examples of her good driving, she was asked to pay a fine of $10 by Judge Small, which she did.

Messrs. Shanahan and Westcott were other motorists who felt the strong arm of the law and did their stuff in the justice court, $10 each being assessed against them.

Local Speed Cop Eberhardt nabbed eight violators Sunday. All paid fines.

Last week a lady enroute to Ireland who had come to Sonoma Valley for a fare thee well party, was halted at the end of a perfect day by speed cops, who arrested her and two other drivers of cars in her party for speeding. She said she was in a hurry to get to Ireland and would kiss the Blarney Stone for the judge, so she paid the fine, $30, for herself and her companions.

Dr. and Mrs. Frank Phillips motored over Saturday evening. Dr. Phillips and former Assemblyman Bob Madison were well known Sciots who marched together in the parade here.

Conrad Goerl, civil engineer, was here Sunday visiting her mother, Mrs. J. Goerl, at Fetters Springs.

WORKMAN KILLED IN FALL FROM ROOF

Andrew J. Burke, a carpenter employed on the construction of the new theatre and baths at Boyes Springs, fell from the roof to the concrete walk beneath and was almost instantly killed last Monday. Whether he missed his footing or became dizzy from the excessive heat of the day will never be known.

A physician was hurriedly summoned immediately after the accident but Burke was pronounced dead. Coroner Phillips later held an inquest, the verdict being accidental death.

Deceased was a resident of Santa Rosa, 50 years old, and is survived by a widow and three daukhters and many relatives in the East. Funeral was from the Baptist church in Santa Rosa yesterday.

J. W. MINGES

(Continued from Boyes Section)

prosper and grow. I am too young to wait for the future, so I will do all I can now to assist those whi will go ahead and build up the community. We are very proud of the fine bath house and theatre erected by Fred F. Partridge and Rudy Lichtenberg and it should inspire everyone to pull together and make Boyes Springs the leading health and pleasure resort of California."

Lyons Resort

Mr. and Mrs. H. J. Lyons have one of the leading family resorts across the bridge from the bath house and from the comfort and good table offered their guests they have built up a good business. This year the Lyons Resort has been nicely improved and Mr. Lyons has also improved other property at Boyes Springs, which he wants to see prosper and build up.

Lyons Resort has a nice location close to the creek and among a natural setting of trees and shrubs. The rooms are comfortable and well kept, screened and modernly furnished. Rates are extremely reasonable.

The $50,000 bath house and its attractions are praised by Mr. Lyons, who contemplates following the example of the Boyes Hot Springs Company and building a $20,000 hotel to accommodate his guests next season.

Meanwhile, those desiring a nice, home like place for rest or recreation will find Lyons Resort on the avenue of Sonoma Vista most desirable.

B. CABANOT

(Continued from Boyes Section)

ience and comforts. They have made other improvements also, re-investing their entire capital in Boyes Springs.

"We are very proud of the investment the Boyes Hot Springs Company has made at the baths," say Mr. and Mrs. Cabanot, "and will continue to do our part in the upbuilding of our community."

Woodleaf Store

The Woodleaf Store which established a splendid reputation for its big stock of merchandise and fine cooking long before the fire, is one of the leading firms and should enjoy the patronage of all at Boyes Springs who appreciate good goods and courteous service right at their door.

The Woodleaf shares with other firms the enthusiasm over the building program at the Springs and predicts a new era of success for the entire community, now that the magnificent bath house and theatre is thrown open to the public and the fame of Boyes Springs is being broad casted by Messrs. Partridge and Lichtenberg of Boyes Springs.

Conducted as formerly by Marian Lovett Green, it has been rebuilt and restocked up to the old standard. The same home cooking and baking, the up to date ice cream parlors, lunches and refreshments will be found at the Woodleaf by old customers. Centrally located on the highway with the Boyes Springs post office on the premises, this store is convenient for everyone.

Nordwell Resort

The Nordwell Avenue Resort of Mrs. J. Engisch is close to the bath house, theatre and golf links. It is a home like and charming place where home cooking is the best that can be offered, and the rates extremely reasonable—$2.50 per day or $15 per week, three meals being included. It is cheaper to enjoy a vacation at Boyes Springs than to stay home, declare many of Mrs. Engisch's guests.

The bungalow style main building with screened rooms most completely furnished, is supplemented with cottages with all conveniences.

A special chicken dinner tomorrow and every Sunday, and single meals are served to the public at this resort, Mrs. Engisch endeavoring to please her guests and retain their trade each season which she has done.

The Nordwell Resort is proud to be so near the fine new baths and theatre and extends congratulations to the Boyes Hot Springs Company for their enterprise.

Tom McMann

Tom McMann, genial resident and business man of Boyes Springs, has the grocery store and butcher shop on the highway. He supplies the residents of Boyes Springs with every commodity in his line at prices that are reasonable and is obliging and accommodating with customers.

Mr. McMann is firmly sold on the idea that Boyes Springs is to be a regular city, sooner or later, and will do all he can to make it succeed.

Since his residence at Boyes Springs Mr. McMann has taken a prominent part in civic affairs and has been honored with office in the Boyes Springs Improvement Club, of which he is the present treasurer.

"Success to Partridge and Lichtenberg, and more power to them," says Tom McMann. "The baths and the theatre are second to none in this part of California. Boyes Springs is on the map."

Emil's Resort

Emil's Resort, of which Mr. and Mrs. Kruschwitz are proprietors is one of the most beautiful and home like resorts at Boyes Springs. Situated across the bridge from the bath house and theatre and ideally located in a natural garden of trees and flowers, it is well patronized by vacationists. The table is unexcelled and rates are reasonable, $15 per week or $3 a day.

A special chicken dinner with complete courses is served every Sunday for $1.

Emil's Resort is on the cottage plan, having everything neat and comfortable, the home cooking being fine.

If you are coming to Boyes Springs to take the baths and enjoy the attractions there, you can find excellent accommodations within walking distance at Emil's Resort.

AUTO STAGE SERVICE ORIGINATED AT BOYES

Th San Rafael and Sonoma Valley auto stage line which has been a decided factor in the upbuilding of Sonoma Valley and the Springs, was originally financed and started by Boyes Springs people, James Baines, and the late Fred Boynton and Steve Anazitos. It is now owned by Jep Valente and Fred Stuermer who have made a great success of the business and own and operate a fleet of eight busses and cars, with six trips daily both from Sonoma Valley and to Sonoma Valley. See summer schedule in another column.

Nat Hubbert

Nat Hubbert, a San Francisco man who saw the possibilities of Boyes Springs, started in the butcher business recently near the site of the new N. W. P. depot and is serving the public in and around the Springs in a courteous manner. Mr. Hubbert carries a line of fresh and salt meats and has an up to date ice box and refrigerating process which assures the public quality cuts. He sells at city prices and cheaper, and the shop is a great convenience for those living in the vicinity of Boyes Springs.

"Those who are interested in the growth of the Boyes Springs business district should encourage home buying," says Mr. Hubbert, "for in that way markets and stores will increase, there will be more demand for property here and the entire community will benefit. I am conducting my place on a high standard and will appreciate the patroage of the people in and around Boyes Springs."

Mr. Hubbert feels that the new bath house and theatre will do much to attract people to Boyes, and that many will remain to enjoy our splendid climate, mineral water and other advantages.

Miller's Grove

Two blocks from Boyes Springs bath house on the shady Sonoma Vista boulevard, is the well known and popular Miller's Grove, where modern furnished cottages along the creek and in the beautiful grove of trees may be rented by vacationists.

There is also camp cottages and camping grounds with screened kitchens and every convenience. The location is one of the most cool and inviting at Boyes Springs. A dance platform, tables and easy chairs on the grounds afford amusement and comfort.

Mrs. Miller's camp ground is 250 by 350 feet and is a fine piece of property which has been nicely improved by the owner. The shade trees native to the Valley of the Moon are here found in all their beauty and afford comfort and shade to those who camp on these grounds.

An ice cream parlor and refreshment stand facing on the road caters to guests and the general public.

Mrs. Miller will be pleased to show the accommodations at her camp grounds to vacationists and assures all guests comfort and courtesy.

Boyes Springs Mineral Water

Boyes Springs Mineral Water, as bottled at the Springs by H. Peterson, gives California one of its finest natural products and has brought fame to Sonoma Valley. The water comes direct from the springs to your table in attractive bottles, quarts or pints or nips. It is soft, pure and sparkling, and superior to any imported water on the market. Physicians recommend the use of this water as a corrective for stomach and related troubles. As a beverage it is unexcelled, both plain or mixed with fruit juices, lemonade or similar cold drinks. Agents for Boyes Water are the Majestic Bottling Company, San Francisco, Imperial Soda Works, of Oakland, and Star Soda Works, Sonoma.

The analysis of this natural mineral water of Boyes Springs which is bottled right at the springs, is as follows:

Temperature, 114 degrees F.

Solids held in solution, grains per U. S. gallon:

Potassium sulphate, .345; potassium chloride, .701; sodium chloride, 34.962; sodium carbonate, 1.785; lithium, traces; calcium carbonate, 2.771; magnesia carbonate, .175; ferrous carbonate, .066; silica, 6.014; boracic acid, traces; sulphuretted hydrogen, .088; crenic and other organic acids, .169.

Try a case and enthuse more and more over Boyes Springs.

THE BOYES SPRINGS IMPROVEMENT CLUB

One of the recent improvements at Boyes Springs is the attractive club house erected by the Boyes Springs Improvement Club, on the highway. The progressive membership which sponsored this big undertaking plans to make the club house the community center of Boyes Springs, where problems affecting the welfare of the district can be discussed, and constructive, co-opuerative effort culminate in success for Sonoma Valley's famed resort section.

The social side of the club is emphasized and card parties and dances are features of club life, winter and summer. For membership apply to Horace Green, secretary, at Boyes Springs.

THE SONOMA VISTA IMPROVEMENT CLUB

The Sonoma Vista Improvement Club, around which many memories of community activity and social pleasure will be recalled, had the misfortune to lose its club house in the fire of 1923. With the live spirit which characterizes this organization, however, the club house was almost immediately rebuilt and is now one of the attractive centers of the Springs.

Pending construction of its second home, the Sonoma Vista folks met regularly for their social whist games at the old Boyes Springs bath house, while their own homes were still in ashes and the outlook for a better and bigger Boyes Springs was anything but bright. The remarkable courage and good fellowship of this club was a great factor in the ultimate rebuilding of the Springs and the re-establishment of homes and business places.

The club is now flourishing in its new club house and is giving whist parties there regularly each week.

For membership in this organization see A. E. Joscelyn, secretary.

Agua Caliente Springs Bath House

PRIZES FROM A FORD DOWN TO A KEWPIE

NEW BOYES SPRINGS OPENING TODAY

(Continued from Page One)

Cohen, contractor for the P. G. & E. 17-story building at Beale and Market streets was also instrumental in the rapid rise of the new bath house and theatre.

Conveniently adjacent in the bath house is the beautifully apointed ice cream parlor whose fixtures cost over $5000, and the coffee shop is the last word in electric grill cuisine. There are also such amusements as the gigantic airplane puzzle and the Housie-Housie combination grocery store and kewpie palace. A photograph gallery adds interest.

Connecting with the bath house is the handsome theatre and dance pavilion with finely equipped stage, maple floor, raised platform and opera chairs in the rear. The color scheme of the theatre is French grey and gold. French windows open out on the main entrance and glass partitions will enable amusement lovers to view the swimming pool and its attractions. Moving pictures and dancing will be featured nightly at the theatre, Walter Krausgrill's famous orchestra having been engaged.

Tonight the opening picture will feature Gunnar Kasson and Balto in "Balto's Race to Nome." This is the first production of this picture outside of Los Angeles.

Thousands of people are expected in Sonoma Valley today and tomorrow to participate in the festivities attendant upon the opening of the new Boyes Springs, Messrs. Partridge and Lichtenberg having widely advertised the new attractions which their resort offer those who seek recreation, health and pleasure.

Miss Hattie Dutton of Broadway is expecting as her guest Miss Alice Cohen, teacher of English in the Alameda high school.

OCULIST GIVES PROPERTY TO STATE UNIVERSITY

Eph Weiss, optometrist who for many years has been coming to Sonoma, has given property in Berkeley valued at $25,000 on which he is to erect an apartment valued at $60,000 to the University of California. A deed to the property was filed this week in Oakland and the income from the property is to be used to establish scholarships for university students of the University of California and Stanford in physics, chemistry and philosophy.

For several years the deed has been in escrow since its drafting by Mr. Weiss and his late wife and now that the apartment is to be constructed it was recorded. Mr. Weiss will have an apartment and offices in the building and the income from the property will go into a scholarship fund. Presidents of both institutions have sent letters of acknowledgment for the gift

FINE MONUMENT FOR MARTI FAMILY PLOT

E. W. M. Evans and Sons of Petaluma have installed a beautiful monument at the Marti family plot at the Mountain cemetery, Sonoma, where the late Mr. and Mrs. Marti and son lie at rest. The entire plot has been cemented over after being enclosed with massive walls. The new monument is one of the finest in the cemetery, and the work was done at the order of executors of the estate.

GLEN ELLEN MAN FINED $40

Leo Leppi, Glen Ellen hotel man, was fined $40 on a charge of reckless driving as a result of wrecking his own car some weeks ago in Santa Rosa.

Miss Anna Lou Dresel of Berkeley is home from U. C. for the summer vacation at Rhine Farm.

MAY EXHIBITS AT THE SONOMA HIGH SCHOOL

(Continued From Page One)

Savings Bank gave a silver cuup, and the pageant. The oratorical winner's name will be publisshed in our next issue. The theme of the silent drama had to do with the enemy of education seeking to strike at the Spirit of Light and Progress. It was ably acted throughout.

P. G. & E. IMPROVEMENT FOR THE HYDE TRACT

In order to improve service and to standardize construction the Pacific Gas and Electric Company has approved orders for the expenditure of $2065 for the reconstruction of power lines in the Hyde Tract, Huichica School District. This work will include the re-routing of the power lines and the installing of approximately 25 poles. The present lines will be replaced with wire of a greater capacity. According to R. W. Garrison, local agent for the company, it will make either a 220 volt or a 110 volt standard service available.

SONOMA CLUB HOSTESS TO COUNTY FEDERATION

(Continued from Page One)

Mrs. Robert P. Hill, past president of the Sonoma Valley Club and past state president, gave a short talk on her work with juvenile court charges. Short talks were also given by Mrs. James Skee and Mrs. Howard, of Healdsburg.

Two vocal duets, a Tuscan folk song and a Mendelssohn number, by Mrs. A. R. Grinstead and Mrs. Ralph Hotz, were delightfully rendered and enjoyed by all.

The federation will hold the next meeting at Fitch Mountain Tavern, on September 30th, with the Sotoyome Club, the Dry Creek Neighbors' Club and the Geyserville Monday Club to act as hostesses.

BUSTER MILLERICK WINS TWO RACES

Mrs. M. Millerick and Mr. and Mrs. Raymond Momboisse, Jr., motored over to Gordon Valley, Napa county, on last Sunday to attend the big race meet of the series of races now being held there, and report a big crowd and a big time. Buster Millerick, son of Mrs. M. Millerick, and brother of Mrs. Momboisse, rode two winners in the races, after which he was barred, on the grounds that he is a professional rider, or he would probably have won all the races. The races were held at the Scalley ranch.

CALIFORNIA ATTRACTIONS TOLD OVER EASTERN RADIO

Probably more than 1,000,000 people heard the story of Central California's scenic wonders Thursday evening when Colonel Charles A. Simmons of San Fracisco, representing Californians Inc., spoke over the powerful General Electric Company station WGY at Schenectady, New York.

"Coming as it does at the very beginning of the tourist travel season," said Dr. Rastall, "Colonel Simmons' talk is bound to influence hundreds of thousands of people in making their vacation plans."

Among the scenic wonders which Colonel Simmons described in his radio talk were the great national forests and parks of Central and Northern California including Sequoia, General Grant, Yosemite, Lassen, the Lake Tahoe country, the Mother Lode territory, the Petrified Forest, the Redwood Highway, the Monterey peninsula, San Francisco and the bay district. His broadcast was the first of its kind on California from an eastern radio station.
